Church Pictorial Directory Update

We are currently preparing the photos and directory information to submit to LifeTouch. Once they receive this information, they will put together a "proof" directory and submit to us for final approval and spelling verification. After we confirm names match pictures and directory info is correct [based on our latest information] we will forward back to them. Once final step is submitted it will take 6-8 weeks to receive the directories.

Thank you to everyone who participated in this project. If your portrait was taken in the past 3 weeks, please watch your email for the link and password to view your proofs. If you do not have an email you will be supplied with a proof.

You are **NOT** required to purchase any portraits; however, if you decide to purchase portraits or schedule a full photo session with Mr. Mtangi, he has **pledged to donate 50%** of the net proceeds from all purchases to our **Adventist Christian Education [ACE] fund**.

If you choose to submit your own photo, the church may be charged a \$10 fee. All submitted photos **MUST** be **horizontal** [landscape]. Please submit your jpeg to mvcsda.enotices@gmail.com. Place **\$10** in a tithe envelope marked "**church directory photo**".

No purchase is required. FREE directory will be given to everyone who has their photo in the new. The printer will only be printing directories for those whose photos are in the directory.
