# Urban Mission

On April 28th -29th Fight the Hate Ministry will be partnering Life Hope Centers to bring health and hope to Soquel community. Join us as we experience a spiritual journey that is exciting, hands-on and relevant. Our aim is to follow Jesus's example, by doing what He did. Our objectives is to mingle, get to know, understand and meet their the needs of people right where they are. Being a part of this event will prepare our young people for Life Hopes which is coming to San Jose Area soon.

## FREE FOOD & BOARD

**Food and Board will be available at Soquel campground for volunteers**

## FREE TRAINING

Part of the Life Hope Center Mission, is to offer free dental care to members of the community. If you are **18years+** and would like to help out by assisting in this area please text the number below to register for the dental assistant training on **March 4 & 11**. Ed Urbino, the director of Life Hope Centers is offering a 16 hour training course that equips young adults with the skills to serve in this area.

The life Hope centers training program is specifically designed to equip those who has desire to utilize their God given gift in medical ministry. This is the opening wedge of Evangelism.

For those who have a desire and initiative to enter into the dental health field profession, this training can provide an opportunity to gain much needed skills and exposure to enter into this health industry. ***While this training does not qualify you as a Registered Dental Assistant, it does provide information and training toward that objective.***
